

FYidoctors announces the addition of Scotty Turnbull to the Delta Ophthalmic Laboratory as General Manager

CALGARY, AB – Feb. 23, 2017 – FYidoctors is pleased to announce the recent hire of Scotty Turnbull, who has joined the Delta Ophthalmic Laboratory as General Manager. Turnbull brings over 30 years of experience in the eye care industry to this new role, with a strong background in lab management that has spanned most of his career.

One of the most innovative facilities in North America with over 55,000 square feet and state-of-the-art equipment and technology, FYidoctors - Delta Ophthalmic Laboratory produces and distributes an impressive line-up of products, including 100% internal freeform lenses, stock lenses, coatings, contact lenses, and exclusive, branded and private label frames. Both the facility and its coatings are Zeiss certified, reinforcing FYidoctors' commitment to high quality eyewear and service for Canadians.

"I am excited to add someone with the skill and proven track record of Scotty to our team in Delta. His extensive experience in leading manufacturing will help us continue our ongoing commitment to excellent service and quality in the Canadian market," said FYidoctors President and CEO, Dr. Alan Ulsifer. "Scotty's reputation for building high calibre laboratories from the ground up will be a welcome asset to our already strong team in Delta."

Turnbull commenced his position as General Manager on February 9, 2017 in Delta, BC.

"The opportunity to help build a fast, efficient team along with the challenge of bringing technology and people together is why this position is so appealing to me," said Turnbull. "I'm looking forward to the opportunity of being part of the FYidoctors team, working together to make a great facility even better."
