

## **Drs. Kevin Tyber and Constance Odiase joins FYidoctors**

For Immediate Release

**Calgary, March 12, 2018** – FYidoctors, the world’s largest doctor-owned eye care company, is pleased to announce that Dr. Kevin Tyber and Associates have joined the FYidoctors family.

This clinic marks the first FYidoctors in Ajax, Ontario. Dr. Tyber and his team have been operating in the Ajax community for over 30 years, providing their patients with high-quality eye care in a comfortable and friendly atmosphere.

Dr. Tyber graduated from the University of Waterloo as a Doctor of Optometry in 1986 and opened the clinic a year later, following his clerkship in Jerusalem. He specializes in contact lenses fittings and has been published in various Optometric journals, including *Review of Optometry* and *Clinical and Refractive Optometry*. Dr. Odiase graduated as a Doctor Optometry from the University of Benin in Nigeria in 1999. She completed her foreign doctor requirements from the University of Waterloo in 2008 and has since been working in the clinic.

“I became an optometrist because of my fascination with human vision. I am energized by our expanding ability to make early diagnoses and better treatments for all ocular conditions. I am thrilled that our partnership with FYidoctors will allow us to continuously improve our patient’s lives,” said Dr. Tyber.

“We are tremendously proud that Drs. Tyber and Odiase have chosen FYidoctors as their partners in eye care. We are looking forward to working and learning from them as they continue to focus on the unique needs of their patient base. We believe the combination of our suite of services, and their immense clinical experience, will help them, and their patients, enjoy a life enhancing experience,” said Dr. Alan Ulsifer, CEO and Chairman of FYidoctors Board.

FYidoctors Ajax offers primary care examinations, specialized care for dry eye, management and prevention of macular degeneration, visual field examination, retinal imaging and contact lens fittings. The clinic carries many popular eye glass and sunglass frames such as Nike, Tom Ford, Jimmy Choo, Hugo Boss, Ray Ban and Kate Spade.
