AMERICAN ACADEMY OF OPTOMETRY FOUNDATION ANNOUNCES THE 2019 JOHNSON & JOHNSON VISION J. PAT CUMMINGS SCHOLARSHIPS

ORLANDO, FL (October 18, 2018) – The American Academy of Optometry Foundation in collaboration with Johnson & Johnson Vision is pleased to announce the 2019 J. Pat Cummings Scholarship recipients. This award is bestowed annually to a second or third year optometry student who best demonstrates the ideal eye care standards of practice, achievement in both academic performance and extra-curricular activities, and participation with other professional pursuits such as involvement with patients through internships, community service, and other volunteer activities.

The 2019 J. Pat Cummings Scholarship Recipients are:

Connor Robbs	Illinois College of Optometry
Mattie Monroe	Indiana University School of Optometry
Joel Muñoz	Inter American University of Puerto Rico School of Optometry
Vincent Thoren	Massachusetts College of Pharmacy and Health Sciences University School of Optometry
Kaitlyn Arnold	Michigan College of Optometry
Eric Yoshinaga	Midwestern University Arizona College of Optometry
Katie Li	New England College of Optometry
Trenton Kellog	Northeastern State University Oklahoma College of Optometry
Joshua Black	Nova Southeastern University College of Optometry
Nicholas Grant	Pacific University College of Optometry
Laura Gutsin	Pennsylvania College of Optometry at Salus University
Rachel Warner	Rosenberg School of Optometry
Courtney Park	Southern California College of Optometry at Marshall B. Ketchum University
Lauren Watson	Southern College of Optometry
Kevin Singh	State University of New York College of Optometry
Lindsey Hutchinson	The Ohio State University College of Optometry
Dana Shannon	University of Alabama at Birmingham School of Optometry
Jacqueline Nguyen	University of California Berkeley School of Optometry
Selena Aloisio	University of Houston College of Optometry
Meagan Anderson	University of Missouri-St. Louis College of Optometry
Anabel Cormier	University of Montreal School of Optometry
Breck Dakin	University of Pikeville Kentucky School of Optometry
Song Kim	University of Waterloo School of Optometry & Vision Science
Aruj Ali	Western University of Health Sciences College of Optometry

We are thankful for the professional relationship between the Foundation and Johnson & Johnson Vision. Their support for this program continues to uphold the high caliber of optometric resident education.
