## **AIRED ON BLOOMBERG TODAY: ESSILOR'S AMBITION TO ELIMINATE POOR VISION IN ONE GENERATION**

As a leading advocate for the importance of good vision and eye care, Essilor was featured on Bloomberg today, as part of the media company's 50 Sustainability and Climate Leaders .

In this video, Hubert Sagnieres, Chairman, Essilor International; Jayanth Bhuvaraghan, Chief Mission Officer, Essilor and Björn Drobe, Senior Manager, Vision Sciences, Essilor, share how the Group champions good vision as a basic human right which helps to improve lives and collaborates to make innovative eye care more accessible, in order to combat poor vision, particularly the global myopia epidemic.

### ESSILOR TEAMS ENGAGE FOR THE ENVIRONMENT

Every year, on June 5<sup>th</sup>, people in over 140 countries celebrate World Environment Day - the United Nations' day for encouraging worldwide awareness and action to protect our environment. Let's take this occasion to have a look at the Essilor Group commitment to the environment: a key pillar of the Group sustainability program, it ensures we achieve our mission - "improving lives by improving sight" - in a responsible way.
