

## **FYidoctors Partners with Top Ranked Dr. Boulos Medical Spa**

*Newmarket, Ontario the latest region for growth as the healthcare organization continues its nation-wide expansion*

**CALGARY, AB (November 11, 2021)** – FYidoctors, Canada’s leading diversified healthcare organization, is pleased to announce its newest partner in Newmarket, Ontario’s Dr. Boulos Medical Spa. The partnership marks the 6th Ontario-based medical aesthetics clinic onboarded in recent weeks, as FYidoctors continues its expansion across the country.

“Dr. Shahira Boulos and her team have consistently ranked atop the list of medical aesthetics service providers in the Newmarket region for almost a decade,” says Dr. Al Ulsifer, Chair and CEO of FYidoctors. “The care and knowledge that has gone into her business is evidenced by this operational success. We’re thrilled to have this exceptional business join the FYidoctors’ ranks.”

A leader in the treatment of skin conditions, volume loss and wrinkles, and procedures such as injectables, light & laser therapies, facials and body wrap treatments, Dr. Boulos is a veteran practitioner, having received her medical degree in 1986 and administering cosmetic injections since 2007. Today, Dr. Boulos Medical Spa offers its patients the widest array of services and top line skin care products with a loyal clientele base that has been with her for years. One major point of pride that Dr. Boulos says she has practiced from the start: empowering her staff with extensive training and knowledge that has worked to propel the operation forward. “I believe I help start careers in this business—not simply jobs,” she says.

“Becoming a partner with FYidoctors is a massive step forward for us,” adds Dr. Boulos. “We are now unfettered to focus on our craft and our patients, moving from essentially a small business to a broader organization with the resources to take us to the next level. I am excited for our partnership and look forward to co-authoring the next chapter.”

Aside from being known for its medical aesthetics services, Dr. Boulos Medical Spa is a long-time charitable supporter and active fundraiser for South Lake Hospital. “Our team is invested in this community. We want to keep earning our clients’ trust as our business continues to grow.”
