

In October, help us
CONTRIBUTE
to the cause of
the fight against
breast cancer !

Quebec design

The Optique Cristal laboratory is proud to announce that, for the whole October month, the Toplook / Optique Cristal offer will contribute to the breast cancer foundation.

In this context, \$5 will be given for each order of Toplook / Optique Cristal offer that you will do. This is a great opportunity to help us contribute to the cause, while offering your customers a trendy product, designed in Quebec ! For more information, ask our staff now !
