Now Available! Nikon's Accredited Self-Learning Training Modules

Nikon Optical Canada is proud to announce that they are now able to offer accredited training modules for opticians and optometric assistants.

To start, Nikon Optical Canada is offering 5 training modules. View all training modules and pass all quizzes to earn credits as follows:

NACOR #110.633: 2 EG (PE: 1 EG) | CCP: 4.4, 6.1, 6.3, 8.2, 9.1, 9.2, 9.5, 1.7.1, 3.2.1, 3.2.2, 3.2.3, 3.2.4, 3.5.5, 3.7.5, 3.10.1 | COO #4234: 1.5 EG | OODQ: 2 Domaine professionnel | CCOA # OAC-2023-117: 1.5 credits

Let your team know that they can now benefit from this self-serve educational platform and earn their credits from the comfort of their own environment.
