

**FOR IMMEDIATE RELEASE****FYihealth group: Leading in Workplace Excellence, Year After Year**

CALGARY, AB, May 31, 2024 – With eye health and enhancing the lives of each patient at the forefront of FYihealth group’s values, Dr. Alan Ulsifer, CEO and Chair of FYihealth group describes 2024 as a time for “growth and further establishing our position in the eye care industry.” FYihealth group has collected notable achievements and recognitions, making it a very attractive and unique Canadian-based workplace. FYihealth group can proudly share it has been recognized for the following:

FYihealth group has been recognized for its 5<sup>th</sup> year in a row by receiving a **2023 Canada’s Best Managed Companies Award**, maintaining its Gold Standard status. Established in 1993 by Deloitte, Canada’s Best Managed Companies is the country’s leading business awards program, recognizing the excellence in private, Canadian-owned companies with revenues of \$50 million or greater. Through an independent evaluation process, recipients are recognized based on overall business performance and sustained growth, as well as the efforts of the entire organization in addition to the financials.

Nancy Morison, Vice President of FYihealth group’s very own Ophthalmic Laboratory based in Delta, BC, was recognized as one of **Canada’s Best Executives 2024** by the Globe and Mail’s Report on Business. This recognition celebrates the unsung executives who move their companies forward. Since 2017, Morison has been known for improving employee engagement and showing authenticity in the workplace. She takes the time to chat with each team member at the lab and brings their concerns to the table, living FYihealth group’s belief in servant-leadership.

FYihealth group ranked **#41 in the 2024 Best Workplaces™ in Canada** for companies with over one thousand employees. A recognition derived from its certification for the **2023 Great Place to Work®**. Meriya Dyble, FYihealth group's Vice President of People & Culture, shared, "Getting feedback from our team members that we have high trust, and they think we are a great place to work is incredibly rewarding! So proud to be named as one of Canada's top 50 best places to work!". Great Place to Work® is the global authority on high-trust, high-performance workplace cultures; providing the benchmarks and expertise needed to create, sustain, and recognize outstanding workplace cultures.

“We have seen a lot of great success and accomplishments from the entire organization this year, and we’re not even halfway through,” says Ulsifer, “I am so proud of how far we’ve grown from a group of just twelve optometrists, to over 350 clinics across Canada. I am deeply humbled and

honoured that we could build a company that can receive these amazing achievements which could not have been possible without the hard work and dedication from our team members.”

**ABOUT FYihealth group**

FYihealth group is Canada's leading diversified healthcare organization comprised of FYidoctors, Visique, BonLook, and solis optics. Doctor-led, professionally managed, and patient-focused, the organization concentrates on delivering outstanding eye care with patient-centric products and services. Operating at almost 400 locations across the country, the organization is rooted in a mission to enhance lives. FYihealth group supports a wide array of philanthropic causes and initiatives including giving back to young optometrists through funding and partnerships with the University of Waterloo School of Optometry and Vision Science and the École d’optométrie de l’Université de Montréal.
