TO SEE

## SILMO Paris 2025

### International Optician of the Year Award

#### The finalists are...

From 26 to 29 September, SILMO Paris, *"the place to be, to see & to foresee"*, will bring together the entire optical and eyewear industry at the Paris Nord Villepinte Exhibition Centre.

As an international hub for innovation, creativity, and expertise, the trade show will once again showcase the excellence of the sector.

Among the highlights of this major event, the IOA Award Ceremony, scheduled for Saturday, 27 September, will celebrate the dedication and vision of opticians, in an edition marked by talent and discovery.

In the meantime, discover the 2025 finalists in this exclusive preview!

**Kim Jurina**

**Licensed optician & Founder of Eye Stylist, Canada**

*"I launched Eye Stylist to do things differently. It's not just about glasses; it's about bringing clarity, confidence, and care—wherever my clients are."*

**Charlie Saccarelli**

**Licensed optician & CEO of Chadwick Optical, United States**

*"By pushing the boundaries of optics and challenging inefficiencies in the healthcare system, we are committed to going beyond standard care to deliver exceptional vision and service to every patient."*

**Barry E. Santini**

**Licensed Optician, President of Long Island Opticians, United States**

*"With over five decades of experience, I strive to advance the field of optics by combining technical expertise, innovation, and an unwavering commitment to excellence in vision care."*

**William Snelgrove**

**Licensed Optician, Co-founder of Kawartha Vision Care & Director at the Ontario Opticians Association, Canada**

*"By combining technical expertise with personalized care, we create vision solutions that enhance our clients' lives with compassion and professionalism."*

**Frits Van Den Bosch**

**Licensed optician & Optical business owner, Belgium**

*"By placing the client at the heart of every decision and combining passion with precision, we create visual experiences that transform their daily lives with confidence and satisfaction."*

**Blair Wong**

**Licensed Optician, Chair of the Department of Eye Health Technology at Benjamin Franklin Cummings Institute of Technology, Executive Director of the Opticians Association of Massachusetts, Chair of the board of directors for GoodVision USA, United States**

*"As a blind individual living with retinitis pigmentosa, I strive to advocate for the visually impaired and to build sustainable vision care solutions for underserved populations around the world."*
