AMERICAN ACADEMY OF OPTOMETRY ANNOUNCES 2026 AWARD RECIPIENTS

WINTER PARK, FL (July 15, 2026) – Each year the American Academy of Optometry recognizes distinguished individuals who have made countless important contributions to advancing the profession of optometry.

“The Academy’s award recipients exemplify the highest standards of excellence in research, education, clinical care, leadership, and service,” said Charlotte Joslin, OD, PhD, FAAO, Dipl AAO, Awards Committee Chair. “Nominated by their peers, these individuals have made lasting contributions that strengthen our profession and inspire future generations of optometrists and vision scientists. We look forward to celebrating their achievements together at Academy 2026 Anaheim.”

The Academy is pleased to announce the 2026 award recipients:

About the American Academy of Optometry

The American Academy of Optometry (AAO) inspires excellence in optometric practice by fostering research and disseminating knowledge in vision science through its journals, *Optometry and Vision Science* and *Clinical Insights in Eyecare*, and the continuing education presented at its annual meeting. Fellows of the Academy are committed to the premise that learning is a lifelong obligation of a professional, as is the commitment to expand the profession's knowledge base through ongoing fellowship and exchange. For more information, visit the website: www.aaopt.org.

About Academy 2026 Anaheim

Academy 2026 Anaheim will be held at the Anaheim Convention Center from September 30 to October 3, in Anaheim, California. The American Academy of Optometry's annual meeting will welcome optometrists, vision scientists, vision care professionals, students, residents, and media from around the world to explore the latest continuing education, research, and innovations in optometry while enjoying the vibrant and beautiful city of Anaheim. For more information, visit www.aaopt.org/2026.

The American Academy of Optometry is accredited by COPE to provide continuing education to optometrists.
